Subscriber may use the Services solely for Subscriber’s own internal business operations (not for the benefit of any other person or entity) during the Subscription Term, provided Subscriber has paid and continues to pay the Subscription Fees. Subscription Fees are nonrefundable. Subscriber may not rent, lease or timeshare the Services or provide subscription services for the Services or permit others to do so. Subject to the terms of this Agreement, Subscriber may allow its agents and independent contractors to use the Services solely for the benefit of Subscriber; provided, however, Subscriber remains responsible for the compliance of all such agents and independent contractor with the terms and conditions of this Agreement, and for the actions, omissions or breach by such agents and independent contractors. Any other use of the Services by any other entity is forbidden and a violation of this Agreement. Subscriber understands that its right to use the Services is limited by the Permitted Capacity purchased, and Subscriber (together with its Affiliates) may in no event exceed the Permitted Capacity authorized in the applicable Order. If Subscriber’s use (together with its Affiliates) exceeds the Permitted Capacity, Subscriber must purchase additional Permitted Capacity sufficient for the balance of the then-current Subscription Term to cover the excess use.

2.2 All Orders shall be governed by the terms and conditions in this Agreement. For clarity, Cyren will not be obligated to provide any Services to Subscriber until a valid Order for such Services has been received and accepted by Cyren. Subscriber agrees that its subscription for Services is not based upon expectations of any future functionality or features.

3. Provision of Services

3.1 Cyren will use commercially reasonable efforts to provide the Services for the Subscription Term. Service status for the Services may be found at: <https://www.cyren.com/service-status.html>. Technical Support for the Services may be found under the Help or Support tabs in the Cyren OMC.

3.2 Cyren reserves the right to suspend Subscriber's access to, or use of, the Services, if (i) required by law or so directed by a court or competent authority, (ii) you are, or are suspected of, using the Software for fraudulent or illegal activities or (iii) Cyren determines that its network, or the security or proper function of the Services, would be threatened or compromised due to, hacking, denial of service attacks or other activities originating from or directed at Subscriber's network (each, a "Software Suspension"). Cyren will make commercially reasonable efforts, circumstances permitting, to provide written notice of any Software Suspension to Subscriber and Cyren will work with Subscriber to resolve the issues. Cyren will have no liability for any damage, liabilities, losses (including any loss of data or profits) or any other consequences that you may incur as a result of any Software Suspension.

3.3 If the Services are suspended or terminated, Cyren will reverse all configuration changes made during Service enrollment. It is Subscriber's responsibility to make the server configuration changes necessary to reroute email for CES and/or reroute Web Content for CWS, as applicable.

Cyren may share malware signatures with third parties. Cyren may disclose such information as required by law or to cooperate with a bona fide law enforcement investigation.

If the parties are unable to reach a mutually agreeable solution within thirty (30) days, then Cyren or the applicable distributor or reseller may, upon thirty (30) days' written notice, terminate the remaining portion of the Subscription Term without any liability to either party, except that Cyren shall refund to the Subscriber or to the applicable distributor or reseller any pre-paid fees pro-rated for the unused portion of the Subscription Term.

If Cyren determines that there is a defect in the Services, Cyren will provide a remedy in the form of a workaround, or another version of the Services that includes a fix for the defect. Subscriber agrees to provide reasonable support information necessary to understand and resolve the incident, which may include log files, configuration files and/or error messages.

If Cyren, in its discretion, determines that Subscriber's email system is acting as an Open Relay, Cyren will inform Subscriber and may suspend the provision of CES until the problem is resolved or terminate the Services. A suspension in such case will not result in any refund to Subscriber.

5.4 Subscriber represents and warrants that it is authorized to receive the Services and that the receipt of the Services by Subscriber does not violate any applicable law or any statute or violate any contractual obligations that Subscriber has to any third party. Subscriber shall obtain all necessary consents from users of its systems (including all employees and independent contractors) in order to employ the Services, including regarding the interception, reading, copying or filtering of emails and attachments. Subscriber shall not use the Services to filter, screen, manage or censor Internet content for consumers without permission from the affected consumers and Cyren's express prior written approval which may be withheld in Cyren's sole discretion.

Unless otherwise noted in the Order, payment of all fees is due 30 days after the invoice date. Subscriber will be liable for, and shall reimburse Cyren for, any expenses incurred, including interest and reasonable attorney fees, in collecting amounts due to Cyren.

Receiving Party without use of or reference to the Disclosing Party's Confidential Information.

8.2 Each party agrees that all Confidential Information of the other party will be treated by the Receiving Party as non-public confidential information and will not be disclosed to any person other than Disclosing Party and employees and contractors of Receiving Party on a need-to-know basis and that Receiving Party will protect the confidentiality of such Confidential Information in the same manner that it protects the confidentiality of its own proprietary and confidential information, but in no event with less than a reasonable standard of care. Furthermore, each party agrees to only use the Confidential Information of the other party for purposes of carrying out its rights and obligations under this Agreement.

8.3 Subscriber will take all reasonable steps to safeguard the Services to ensure that no unauthorized person has access and that no unauthorized copy, publication, disclosure or distribution, in any form is made. The Services contain valuable, confidential information and trade secrets and unauthorized use or copying is harmful to Cyren. Subscriber may not directly or indirectly transfer, assign, publish, display, disclose, rent, lease, modify, loan, distribute, or create derivative works based on the Services or any part thereof. Subscriber may not, in whole or in part, reverse engineer, decompile, translate, adapt, disassemble or seek the source code of the Services. However, Cyren may still send emails of a technical nature. Subscriber may not transfer any of Subscriber’s rights to use the Services or assign this Agreement to another person or entity, without first obtaining prior written approval from Cyren.
